Renting a Room
TO
an Individual

Suggested Expectations & Boundaries
For **BOTH** the **Owner** & the **Renter**
that greatly increase your chances of success.

The American Assumption that I need my **OWN** place to live has caused **financial disaster** for many individuals and families.

As of 2011, there are over **52 million** Americans who either rent a room from another family or live with extended family.

At Liberty Church, we have members who **Rent** a **Room** to other members to make extra money and to help a fellow Christian.

However, one church member renting a room to another church member can produce **DISASTERS** if they base the

rental agreement on **ASSUMPTIONS & FOOLISH**

reactions. **Come from** There are two keys to success in renting a room. They
Lack of ? are:

1

Character

*Acts 17:11 The Bereans were of More **Noble Character***

*Rom. 5:4 Perseverance produces **Character**; and
Character produces **HOPE**.*

2

Communication

*Prov.2:3 if you **Call out** for **INSIGHT** and
Cry aloud for **UNDERSTANDING***

Character

- To rent a room **FROM** someone requires having a **Servant's heart**. To go out of your way to be gracious, kind, clean, patient & quiet requires humility and maturity from **the renter**.
- To rent a room **TO** someone requires being gracious and kind, but it also requires being **SECURE**. It is **YOUR** home.
It is **YOUR job** to **communicate expectations**.

*We recommend that you both listen to the “**Expectations**” and “**Co-dependency**” cd Bible studies before renting a room.*

Communication

All of the following subjects should be discussed and put into **writing BEFORE** you agree to rent a room.

In this document, we will give **Suggestions** for all of these areas, plus a sheet for you to work out your agreement in writing in renting the room.

Ultimately, **you** have to decide your **own expectations**.
The more details you decide in **advance** the more **CALM** the relationship.

Communication

1. Month to Month Lease *
2. Ending the lease *
3. Parking location
4. Washer & Dryer usage *
5. Eating in the room *
6. Noise *
7. TV usage *
8. Friends in the home *
9. Food storage *
10. Cleaning of Kitchen
11. Yard work *
12. Rental Cost *
13. Bathroom guidelines *
14. Not entering certain rooms *
15. Do Not EVER... *
16. House cleaning *
17. Confidentiality & Dialogue *
18. What is the Process?

What is the Process?

If you are willing to CONSIDER renting a room to a
trained humble Liberty Church member

- i. Please email to Pastor Tommy and Brandy to let them know you **MAY**
be interested.

*It may be 1-3 years before Pastor Tommy has someone
who may need to rent a room from you.*

- ii. Whenever Pastor Tommy has a possibility of someone to rent a room
from you, Pastor Tommy will **Always FIRST** talk with you before
sending the person to you. That allows you to ask Pastor Tommy
questions about the renter before Pastor Tommy sends them to you.

- iii. If you are interested, then you and the Renter would meet at your house to talk over your expectations and look at your home.

- iv. If both the Renter and Owner still desire to proceed, then we ask you **both** to **meet** with one of **our Financial Counselors**.

In this meeting, the Financial Counselor will **review** the **expectations** in **detail**.

The Financial Counselor will ask for an **Emotional** perspective on **every single point** from **Both** the **Owner** and **Renter**.

How many see:

1. My **Job** as chief financial counselor is to **Teach** people Leadership?
2. One of the **Greatest principles** of Leadership is to communicate Expectations **Up Front**.
3. If we will **ALL** increase our Self-Leadership the church can **REALLY BE** the church that **Impresses** the **World** with the Power of Jesus to change lives. *(Make a Major Difference)*
4. That one day the Lord may call **You** to:
 - a) Be Involved in the Financial Counseling ministry or
 - b) Open your home to a Trained, Humble Liberty member
