The Idea - What we have done in the Past!

In almost 4 decades of Liberty Church, we have averaged giving between \$100,000 and \$200,000 a year to Needy Families in our church.

In addition to financial assistance, we give **DIGNITY** & **Patient Personal Attention** to **each** individual to help them:

1. Become Clear & Confident in their **Salvation**
2. Get Daily in **God's Word**
3. Get Connected in a **Healthy Small Group**
4. Get **Budget** Counseling
5. Get **Career** Counseling
6. Get **Inner Healing**
7. Get **Restoration** with **Broken Family Relationships**

People in **financial stress** are usually **WIDE OPEN** to making **major spiritual lifestyle** changes if the local church is **kind, patient, encouraging** and **willing** to help both **financially** and **spiritually**.

We start slowly! When someone is new to Liberty and just becoming a member, we limit our help to **\$200** per month, although we often give that help **every** month.

We are honest with people that we need to get to know them, and we need to see them **GROW** in the **seven** areas **above before** we **invest more** in them.

As they grow in faithfulness, we **grow** in our **willingness** to give

Even More Financial Help. For instance, in this past year we helped:

- **8** different single moms or elderly to get a **good running CAR**,
- **6** different needy families received **rebuilt BATHROOMS** or **damaged parts** of their **HOUSE RESTORED**.
- We **completely replaced** the **ROOF** of a disabled family that was facing major leaks and serious mold.
- Besides major projects we helped **MANY** w/ small bills & smaller financial struggles.

As the FLOOD comes, we will raise up God's STANDARD.

As the economy has worsened, there has been a **FLOOD** of need.

It is truly a "***Dream Come True***" for each financial counselor to work with **one** individual for **6-12 months**: giving them **dignity, hope, strategies, encouragement & financial assistance**.

In this **private, safe environment** each counselor sees **more spiritual growth** in this "***One Hour a Week Investment***" than they have **ever experienced** in any other **ministry**.

In order to grow this ministry, we need **MANY more** personal financial counselors.

We are asking God to raise up an **army of loving individuals** who will serve **one other person** to see lives eternally changed.

If you will **carefully read pages 3 & 4**, you will see the entire **pace and plan** of how an **average sincere person** can be a **very effective financial counselor** using our **excellent resources** under the **great training and leadership** of **Pastors Jessie and Mark**.

Consider Becoming a Financial Counselor

If you decide to become a financial counselor, you will **choose** either

Pastor Jessie Hutchins

or Pastor Mark Hilliard

to **personally train you & walk with you** through the **entire process**.

Below is a **sample of the opening email** that you would send to the **person** whom you would be financially counseling. This would be a **joint email** from you and either Pastor Jessie or Pastor Mark – depending upon which pastor is training you.

In reading this email you can see how you can invest **one hour a week** of your life in **one person** under pastoral covering and wisdom & see their **lives forever changed**.

Welcome Letter from a Financial Counselor

to your New Teammate:

Welcome! ☺

*My name is _____ and I am so honored to serve you along with Pastor (Jessie or Mark) in our financial counseling ministry. It is our **great privilege to meet** with you, to **serve & encourage** you.*

We do recognize that sometimes some bad habits and bad decisions may have you in a place where your finances are overly stressed, and you need some time and counsel to help sort out ways to get back under God's best plan for your life and finances.

Almost all of us, who are financial counselors, had times in our lives when our finances were an embarrassing mess.

We remember very clearly the battle with **shame and the **emotional pressure to hide or give up.****

We want you to know that we have **GREAT amounts of patience, encouragement & hope. We are so **very proud** of you and will be **gentle & supportive.****

*We have discovered that regular **meetings** plus great **resources** plus **prayer, kindness, patience, wisdom, & encouragement** always produce **wonderful results**.*

*If we add in lots of **love, laughter & friendship** then we will grow together and **one day you** will be **helping others** in the **same way** that we are helping you. ☺*

1. Our *FIRST* meeting with (Pastor Jessie or Pastor Mark)

This is a very precious, warm, and fun time of just getting to know you and hearing **your story**. We want to **base all** of our interactions on **friendship**, **Friendship** so we start with lots of listening.

In this first meeting, (Pastor Jessie or Pastor Mark) gets us started in serving you.

With **almost everyone** we begin by us **teaming together** to go through **Dave Ramsey's FPU – Financial Peace University** – class together **online** and then having **ZOOM discussions** after each class.

In addition, (Pastor Jessie or Pastor Mark) will ask how we can serve you in any areas such as getting connected in a **small group**, your **daily time in God's Word**, any areas of **inner healing** you may desire in your life.

As your financial counselor, I am able to **approve up to \$200 per month** each month as assistance for you and **more** as we get to know you and see you make progress both spiritually and financially.

We have seen God do **MANY Miracles** in the lives of those who seek Him and we are excited to watch Him do this for you.
